**“AAM Gives Back” Third Quarter Update: Company Donates
8,247 Food Items, 1,600 Bottles of Water and \$7,000 in Cash to Food Banks**

PHOENIX (Oct. 18, 2010) – AAM LLC, a Phoenix, Ariz.-based homeowners association management company with offices in Arizona and New Mexico, has donated 8,247 non-perishable food items, 1,600 bottles of water and \$7,000 in cash to food pantries in Arizona and greater Albuquerque, NM, as of the end of the third quarter.

The “AAM Gives Back” effort is part of AAM’s 20th Anniversary celebration, in which the company pledged to donate food and funds to local food banks over 20 months, starting last January.

In addition to making a \$20,000 corporate donation, spread over four quarters, a different AAM department each month has been charged with creating a fundraiser or food drive for a local food bank. AAM employees also have committed to donating 2,000 collective volunteer hours to charitable causes this year – with 400 of those hours dedicated to food banks.

To help restock food banks with goods and cash, AAM employees have held peanut butter-and-jelly drives, spice drives, movie-in-the-park nights, casino days and silent auctions, among other activities.

“We’ve come a long way since January, but we still have a long way to go to make a dent in the need facing local food banks,” said Amanda Shaw, AAM president. “One of the greatest things for us, though, has been taking part in the creative activities our employees come up with each month to advance us toward our goal. We’ve had a lot of fun, all for a great cause!”
