**AAM Celebrates 20th Anniversary
by Supporting Valley Food Banks**

PHOENIX, Ariz. — (Jan. 1, 2010) AAM LLC, a Phoenix-based community association management firm, will celebrate its 20th year in business by making a \$20,000 donation to Valley food banks and encouraging employees to raise additional funds and food over the next 20 months.

“Twelve months simply wasn’t long enough to convey our excitement and gratitude for this major milestone,” said Founder and Chief Executive Officer Laura Ziff, who launched the business in December 1990 with the intent of raising the quality of service and the standards by which community association management companies are measured.

“The great need expressed by Valley food banks is a perfect match for our enthusiasm level, and 20 months will allow us time to give back in a big way to the metro Phoenix community that has given us so much over the past 20 years,” she said.

Each month, a different AAM department will be charged with creating a fundraiser or food drive for a Valley food bank. Additionally, AAM employees will donate 2,000 collective hours of volunteer time to charitable causes this year – with 400 of those hours directed at food banks. Employees completed 1,200 hours of service in 2009.

AAM is one of Arizona’s most-respected community management firms. With 20 years of experience and more than 325 community associations statewide under management, the experts at AAM deliver total peace of mind to their clients, which range from builders and developers to homeowner boards of directors.

The corporate headquarters are located at 7740 N. 16th St., Ste. 300, Phoenix, with branch offices operating in Chandler, Surprise, Tucson, Prescott and Albuquerque, N.M.
