**AAM Joins Forces with Maintenance Companies, Homeowners
to Clean Up Higley Park Common Areas**

PHOENIX, Ariz. — (May 28, 2008) Homeowners at Higley Park in Gilbert are taking matters into their own hands this weekend with a neighborhood clean up effort that picks up where the residential community's builders left off.

Led by management company AAM, LLC, Higley Park Homeowners Association members and homeowners will join representatives from the Town of Gilbert, Arizona's Best Landscape, Asset Landscape, Bircher Exterminating, DLC Resources, Green Innovations, Hurricane Aquatics, Integrated Landscape Management (ILM), Sundance Landscape and Tot Lot Services to pull weeds and spruce up common areas from 7:30 a.m. to 10:30 a.m., Saturday, May 31. Higley Park is located at Ray and Higley roads.

AAM officials are marshaling company resources and hosting the clean up day in order to help residents combat the effects of current market conditions and bankrupt home builders who no longer are involved in the community. The association has been unable to pay its monthly landscape maintenance contract due to a lack of funds. As the residents were trying to get the support of the neighborhood to organize a weed-pulling party, AAM representatives stepped in to solicit its vendors and employees to help homeowners clean up the community's common areas.

Said AAM President Amanda Shaw, "We are grateful to the maintenance companies we work with for their willingness to donate time, labor and expertise in working side by side with the homeowners and AAM volunteers. We are honored to do what we can to help our homeowners through this difficult time."

Members of the general public are encouraged to participate in the effort. For additional information, contact AAM at 602-957-9191.

AAM is one of Arizona's most-respected community management firms. With nearly 20 years of experience and more than 350 community associations statewide
